

SoonerCare Fax Blast

March 2, 2007

Subject: **Reminders**

Dear Provider:

CONTRACT RENEWAL: Please check your renewal file. We have not received many providers' DEA and Narcotics information. Please fax a copy of both cards and a cover letter to Provider Enrollment ASAP at 405-530-3224. On the faxed coversheet, please put your Provider ID in order to match the information to the correct contract renewal.

4th DTAP Incentive: Your 4th DTAP list of **SoonerCare** Choice members who received their 4th DTAP prior to age 2 must be received before March 31, 2007. No list will be accepted after that date.

For incentive payment consideration your list must include the following:

- Child's Name
- Recipient Identification Number (RID)
- Child's date of birth
- Date 4th immunization was administered
- Provider's Name
- Provider ID. (If your ID number has changed, provide your ID when the immunization was given.)
- Office telephone number
- Contact person
- Your OSIS number

Beginning in 2007, the Oklahoma Health Care Authority will use encounter data to verify the administration of this immunization. If you have any questions, please call Provider Services at 1-877-823-4529, Option 2. Please fax your list to (405) 530-7289.

NPI: Getting your NPI is free, not having one is costly. REMEMBER to fax your NPI letter to Provider Enrollment at 405-530-3224. Please add your current Provider ID to insure appropriate matching of your Provider ID and your NPI number. We can not share this number with other providers. Please start sharing with your referral network for claims payment. Pharmacy providers need your NPI as well. When writing a script, calling in a script or faxing a script please add your NPI.

EPSDT: You have until May 1, 2007 to correct encounters for consideration in the 2006 EPSDT bonus calculations. Only encounters which are in a paid status can be considered. Please have your billing staff review your encounters for 2006 to insure you have all EPSDT encounters filed appropriately. As a reminder your roster is a reminder of members who might be due for EPSDT exams.
