RHC Providers

This letter is to notify you of changes that will take effect January 1, 2009 for Rural Health Clinics (RHCs) as part of the SoonerCare Choice transition to the Patient Centered Medical Home model.

RHCs will still be assigned a panel; however, they will not receive a capitation payment or a care coordination payment. RHCs will receive their Prospective Payment System (PPS) rate for each visit (including visits by panel members) and a settle-up will no longer be required. RHCs may also be eligible for incentive payments related to physician inpatient admitting and visits.

RHCs will bill ALL encounters for panel members and non-panel members on UB-04 claim forms. These claims will be paid at the PPS rate. Any claim filed using the CMS-1500 will be denied. Please continue to use all appropriate revenue and CPT codes to describe all services provided when filing claims.

If you have any questions or require additional information please phone Kelly Taylor at (405) 522-7108 or email at Kelly.Taylor@okhca.org.

Thank you for your continued service to Oklahoma's SoonerCare members.
