

Marihuana Field Test Report

Suspect(s):

DOB

1.	
2.	
3.	
4.	
5.	

Description of Items:

1.
2.
3.
4.
5.
6.
7.

Results:

I have viewed the OSBI training videotape for testing of marihuana using the Duquenois Levine field test kit. The results of the Duquenois Levine field test indicate the presence of Schedule I marihuana in the following items listed by number:

Field tester's name: _____ Place tested: _____

Rank: _____ Department: _____ Telephone: _____

Field tester's signature: _____ Date and time tested: _____

If trial proceedings are required for the adjudication of this matter, an analysis will be performed by the Oklahoma State Bureau of Investigation Laboratory and a written report will be provided. Please submit this evidence two weeks prior to the start of the trial.

Distribution: Original to prosecutor; copy for officer's records
