

Clean Water State Revolving Fund (CWSRF)
Green Project Reserve Eligibility Determination

Name of System

Arkoma Municipal Authority

CWSRF Project Number/Loan Number

ORF-22-0067-CW

General Project Description:

Arkoma Municipal Authority does not currently have a wastewater treatment facility but has an agreement with the City of Fort Smith, Arkansas to discharge into their wastewater collection system. There are 115 manholes in the sewer collection system that need to be rehabilitated in order to reduce the inflow and infiltration and thereby reduce the costs of the wastewater treatment. The proposed project is to replace or rehabilitate 115 manholes, make other collection system repairs, and other appurtenances necessary to complete the project.
