

Clean Water State Revolving Fund (CWSRF)
Green Project Reserve Eligibility Determination

Name of System
CWSRF Project Number/Loan Number

The Lawton Water Authority
ORF-24-0061-CW

General Project Description:

Lawton Water Authority has faced increased sanitary sewer overflows and sewer backups causing frequent disruptions in the city's wastewater collection system and leading to mounting repair costs. This project will include 13,000 feet of replacement by cured-in-place-pipe and 65,000 feet of replacement by pipe bursting plus all appurtenances required to complete the project. Total replacement of the lift station plus all appurtenances required to complete the project will also be included in the scope of the project. The estimated cost is \$25,000,000 which will be funded by the CWSRF loan of \$25,000,000.

GPR Component Description:

Item	Category*
Engineering and Construction of New Lines	Energy Efficiency
	None
	None

Approved GPR Amount: \$23,500,000.00
Approved Subsidy Amount (if applicable) \$0.00
