INDEPENDENT AUDITOR'S REPORT

To the Members of the
Oklahoma Water Resources Board

Opinion

We have audited the accompanying financial statements of the Oklahoma Water Resources Board Oklahoma Drinking Water State Revolving Fund Loan Administrative Fund (the "Fund") as of and for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, which collectively comprise the Fund's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Fund, as of June 30, 2023 and 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated September 15, 2023, on our consideration of the Fund's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Fund's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

OKLAHOMA WATER RESOURCES BOARD
OKLAHOMA DRINKING WATER TREATMENT LOAN ADMINISTRATIVE FUND
ANNUAL FINANCIAL REPORT
As of and for the Years Ended June 30, 2023 and 2022

MANAGEMENT’S DISCUSSION AND ANALYSIS

Our discussion and analysis of the Oklahoma Drinking Water Treatment Loan Administrative Fund's (the "Fund") financial performance provides an overview of the Fund's financial activities for the fiscal years ended June 30, 2023 and 2022. Please read it in conjunction with the Fund's financial statements, which begin on page 11. The Fund was created to account for the administrative fees and application fees received from loans made from The Oklahoma Drinking Water State Revolving Fund Program (the "Program"). The Oklahoma Department of Environmental Quality manages the capitalization grant. The Oklahoma Water Resources Board (the "Board") handles certain financial functions including originating, approving, and servicing loans made to qualifying recipients as well as maintaining the Fund.

Financial Highlights

- During FY 2023, total operating income increased by \$496,757 or 18.78%. Total operating income increased \$508,872 or 23.82% in FY 2022. Operating revenues come from borrowers paying 0.5% administrative fees on their outstanding loan balance.
- The Fund's net position increased by approximately 20.02% and increased by 27.99% in FY 2023 and FY 2022, respectively. Ending net position increased from \$9,950,345 in FY 2022 to \$11,941,920 in FY 2023. Ending net position increased from \$7,774,021 in FY 2021 to \$9,950,345 in FY 2022.

Using This Annual Report

This annual report is presented in a format that substantially meets the presentation requirements of the Governmental Accounting Standards Board (GASB) in accordance with generally accepted accounting principles. The Fund is accounted for and presented similar to, but not identical to, a special-purpose government engaged solely in business-type activities.

The financial statements for the Fund are presented after the Management’s Discussion and Analysis in this annual report and then followed by the footnotes in this order:

- Management’s Discussion and Analysis – that provides useful analysis that facilitates a better understanding of the Fund’s financial condition and changes therein.
- Basic Financial Statements
 - Statements of Net Position
 - Statements of Revenues, Expenses and Changes in Net Position
 - Statements of Cash Flows
- Footnotes - that elaborate on the accounting principles used in the preparation of the financial statements and further explain financial statement elements.

A Financial Analysis of the Fund

One of the most frequently asked questions about the Fund’s finances is, “Has the overall financial condition improved, declined or remained steady over the past year?”

(Unaudited. See accompanying auditor’s report.)

OKLAHOMA WATER RESOURCES BOARD
OKLAHOMA DRINKING WATER TREATMENT LOAN ADMINISTRATIVE FUND
ANNUAL FINANCIAL REPORT
As of and for the Years Ended June 30, 2023 and 2022

The Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position report information about the Fund as a whole and about its activities in a way that helps answer this question. The following tables present a condensed comparative presentation of net position and changes therein.

Oklahoma Water Resources Board
Drinking Water Treatment Loan Account Administrative Fund
Net Position

	Business-Type		
	Activities		
	June 30		
	<u>2023</u>	<u>2022</u>	<u>2021</u>
Current assets	\$ 11,986,446	\$ 10,131,273	\$ 7,932,352
Capital assets, net	15,908	3,942	6,195
Total assets	12,002,354	10,135,215	7,938,547
Current liabilities	60,434	184,870	164,526
Total liabilities	60,434	184,870	164,526
Net position			
Investment in capital assets	15,908	3,942	6,195
Unrestricted	11,926,012	9,946,403	7,767,826
Total net position	\$ 11,941,920	\$ 9,950,345	\$ 7,774,021

In FY 2023, the increase in net position is attributable to an increase in cash from administrative fees collected and a decrease in payables.

In FY 2022, the increase in net position is attributable to an increase in administrative fees receivable and an increase in cash related to only transferring a small portion of the state match for the 2021 federal capitalization grant to the DWSRF Loan Fund.

(Unaudited. See accompanying auditor's report.)

Revenues, Expenses, and Changes in Net Position

	Business-Type		
	Activities		
	Years Ended June 30,		
	<u>2023</u>	<u>2022</u>	<u>2021</u>
Revenues			
Operating revenues	\$ 3,814,773	\$ 3,300,749	\$ 2,778,085
Non-operating revenues	187,082	82,388	97,677
Total revenues	4,001,855	3,383,137	2,875,762
Expenses			
Personnel expense	280,683	276,931	233,362
Indirect cost expense	87,620	106,037	79,760
Other administrative expenses	230,659	208,515	287,492
Trustee fees	71,024	46,925	39,154
Debt issuance cost	-	14,552	-
Depreciation expense	2,494	2,253	2,253
Total expenses	672,480	655,213	642,021
Net income before transfers	3,329,375	2,727,924	2,233,741
Transfers (to) from other programs	(1,337,800)	(551,600)	(3,122,000)
Change in net position	1,991,575	2,176,324	(888,259)
Total net position - beginning	9,950,345	7,774,021	8,662,280
Total net position - ending	\$ 11,941,920	\$ 9,950,345	\$ 7,774,021

In FY 2023, the increase in net position is attributable to a 15.57% increase in operating revenues from administrative fees and application fees.

Operating revenues increased in FY 2022 due to an increase in program income. The decrease in operating transfers out is attributable to a decrease in the transfer out to the DWSRF Loan Fund to provide the state match requirement for the 2021 federal capitalization grant.

	Years Ended June 30,		
	<u>2023</u>	<u>2022</u>	<u>2021</u>
Automobile	\$ 15,908	\$ 3,942	\$ 6,195
Totals	\$ 15,908	\$ 3,942	\$ 6,195

During FY 2023 the program purchased a vehicle.

See Note 3 to the financial statements for more detailed information on the Fund's capital assets and changes therein.

Economic Factors and Next Year's Outlook

The Oklahoma DWSRF has been extremely popular with communities that borrow from the program. No additional staff is planned at this time. No change in the Oklahoma DWSRF financing strategy is anticipated for the next fiscal year.

Contacting the Fund's Financial Management

This financial report is designed to provide the Board's accountability of the Fund. If you have questions about this report or need additional financial information, contact the Financial Assistance Division of the Oklahoma Water Resources Board at 3800 N. Classen Blvd, Oklahoma City, OK 73118.

OKLAHOMA WATER RESOURCES BOARD
OKLAHOMA DRINKING WATER TREATMENT LOAN ADMINISTRATIVE FUND
ANNUAL FINANCIAL REPORT
As of and for the Years Ended June 30, 2023 and 2022

Footnotes to the Basic Financial Statements:

1. Summary of Significant Accounting Policies

Reporting Entity

The Oklahoma Drinking Water Treatment Revolving Loan Account (the "Program"), Title 82 Oklahoma Statutes, Sections 1085.71 et seq. was created pursuant to the 1996 Amendments (P.L. 104-182) to the Federal Safe Drinking Water Act set apart from all other Oklahoma Water Resources Board accounts and programs to be permanent and perpetual; not subject to fiscal year limitations. Title 82, Section 1085.84 created the Oklahoma Drinking Water Treatment Loan Administrative Fund (the "Fund") for the purpose of administering the Program, transferring monies into the Program and for other purposes authorized by the Federal Safe Drinking Water Act. The Fund consists of revenues primarily from loan administrative fees, Fund investment earnings, and loan application processing fees.

Administrative fees are assessed on loans made from the Program. Fees are assessed to each participating municipality at the rate of one-half of one percent (0.5%) per annum of the amount of each municipality's loan balance outstanding.

The significant accounting principles and practices followed by the Fund are presented below:

Basis of Accounting and Measurement Focus

The Fund is accounted for and presented similar to, but not identical to, a special-purpose government engaged solely in business type activities.

The Fund uses the accrual basis of accounting whereby expenses are recognized when the liability is incurred, and revenues are recognized when earned.

The Fund uses the economic resources measurement focus where all assets, liabilities, net position, revenues, expenses, and transfers relating to the Program and net income and capital maintenance are measured.

The accompanying financial statements have been prepared in conformity with generally accepted accounting principles as prescribed by the Governmental Accounting Standards Board ("GASB").

Cash and Cash Equivalents

The Fund considers all highly liquid debt instruments purchased with an original maturity of three months or less and money market funds to be cash equivalents.

Capital Assets

Capital assets are stated at cost, less accumulated depreciation. Depreciation is charged to operating expense and is computed using the straight-line method. The useful life of the software and printer has been estimated at 7 years. The useful life of automobiles has been estimated at 5 years. Maintenance and repairs are charged to operations when incurred and improvements are capitalized. The Fund's policy is to capitalize purchases more than \$5,000. When assets are retired or otherwise

OKLAHOMA WATER RESOURCES BOARD
OKLAHOMA DRINKING WATER TREATMENT LOAN ADMINISTRATIVE FUND
ANNUAL FINANCIAL REPORT
As of and for the Years Ended June 30, 2023 and 2022

1. Summary of Significant Accounting Policies (cont'd)

disposed of the cost and related accumulated depreciation are removed from the respective accounts and the resulting gain or loss is reflected in operations.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events through September 15, 2023, the date the financial statements were available to be issued and determined that no subsequent events have occurred that require adjustment to or disclosure in the financial statements.

2. Cash Deposits and Investment Risk

Cash of \$10,798,474 and \$9,178,165 at June 30, 2023 and 2022, respectively, was on deposit in the State Treasurer's office's internal investment pool – *OK Invest*. Short-term investments of \$3,324 and \$155 at June 30, 2023 and 2022, respectively, were on deposit with the Program's trustee. The deposits are invested in *Federated Hermes Treasury Obligations* money market mutual funds.

Custodial credit risk for deposits is the risk that in the event of a bank or other institution failure, the Fund's deposits may not be returned, or the Fund will not be able to recover collateral securities in the possession of an outside party. The Fund deposits its funds with the Office of the State Treasurer (OST). Oklahoma statutes require OST to ensure that all state funds either be insured by Federal Deposit Insurance, collateralized by securities held by the cognizant Federal Reserve Bank, or invested in U.S. government obligations. The Fund's deposits with the State Treasurer are pooled with the funds of other State agencies and then, in accordance with statutory limitations, placed in financial institutions or invested as the Treasurer may determine, in the State's name.

Of the \$10,798,474 and \$9,178,165 in cash and cash equivalents on deposit with the State Treasurer as of June 30, 2023, and June 30, 2022, respectively, 100%, represent amounts held within OK INVEST. Agencies and funds that are considered to be part of the State's reporting entity in the State's Annual Comprehensive Financial Report are allowed to participate in OK INVEST. Oklahoma statutes and the State Treasurer establish the primary objectives and guidelines governing the investment of funds in OK INVEST. Safety, liquidity, and return on investment are the objectives that establish the framework for the day to day OK INVEST management with an emphasis on safety of the capital and the probable income to be derived and meeting the State's daily cash flow requirements. Guidelines in the State Treasurer's Investment Policy address credit quality requirements, diversification percentages and the types and maturities of allowable investments. The specifics regarding these policies can be found on the State Treasurer's website at <http://www.ok.gov/treasurer/>. An evaluation of the use and purpose of the Funds participation in the internal investment pool determined that the amounts on deposit with OK INVEST are considered demand accounts and reported as cash equivalents.

OKLAHOMA WATER RESOURCES BOARD
OKLAHOMA DRINKING WATER TREATMENT LOAN ADMINISTRATIVE FUND
ANNUAL FINANCIAL REPORT
As of and for the Years Ended June 30, 2023 and 2022

2. Cash Deposits and Investment Risk (cont'd)

The Program categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the assets. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs.

At June 30, 2023 and 2022, the Program's investments in obligations not directly guaranteed by the U.S. Government and investments in money market mutual funds were valued according to the following hierarchy and were rates as follows:

- OK Invest (State Treasurer) – not subject to credit ratings or fair value hierarchy
- Federated Hermes Treasury Obligation – credit rating AAAM and fair value hierarchy of Level I

3. Capital Assets

As of and for the Years Ended June 30, 2023 and 2022

4. Indirect Costs

Indirect costs represent recoverable personnel costs charged to the Program by the Fund in connection with administering and accounting for activities of the Program. The amount allocated to the Program is based on a percentage of the Fund personnel costs as established in an indirect cost allocation plan. The indirect cost rate for the year ended June 30, 2023 and 2022 were 68.69% and 68.77%, respectively.

INTERNAL CONTROL OVER FINANCIAL REPORTING AND COMPLIANCE

INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Members of the
Oklahoma Water Resources Board

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Oklahoma Water Resources Board Oklahoma Drinking Water State Revolving Loan Administrative Fund (“the Fund”) as of and for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, which collectively comprise the Program’s basic financial statements, and have issued our report thereon dated September 15, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Fund’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Fund’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Fund’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Fund’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
